## Important Information

### Cascade Fire Department

Submitted by Chief Todd Triebensee

Welcome to Summer 2020!

To start off and to let everyone know that there will not be a Cascade Fire Department Picnic this year! There are too many circumstances against us this year that would make it difficult to hold the picnic. The good news is there will be a fundraiser to benefit the Cascade Fire Department held on August 29 at the Parnell Tavern, there will be live music, food, raffles & refreshments. Watch our Facebook page and our website [www.cascadefiredepartment.com](http://www.cascadefiredepartment.com) for more information.

We are also holding a raffle this year. If you are interested in buying some tickets our members can drop by and get them to you, or we can make arrangements to mail you your ticket stubs after your payment is received. There is a link on our webpage to email your requests or you can call 920-528-8432 and leave a message and we can return your call!

Your support has always been incredible and just because we are not having a picnic this year doesn't mean there aren't other ways to support Cascade Fire Department, you can also send a donation if you wish to Cascade Fire Department PO BOX 301, Cascade, WI 53011.

As you can see progress is being made every day on our new station. Estimated completion time is the end of September. We look forward to holding an open house to let everyone see our new home!!

Hopefully you have been working with your children on what to do in an emergency whether it is a medical or fire emergency, with your kids being home more, it is more important than ever to make sure they know what to do when something happens.

Enjoy the rest of your summer, Cascade Fire Department

### Cascade's Little Food Pantry

Submitted by Karel Melius, Treasurer

A little over a month ago we changed over the little Library House into a food pantry! It has been very successful thanks to the initial donations received by board members and other community members.

This food is meant to help anyone in our area struggling during these uncertain times.

Any donations are greatly appreciated. Please drop off any contributions to the Village Hall or contact Karel Melius to assist in restocking. We plan to continue the little pantry until the end of summer!

## Dog Licensing

Submitted by Karel Melius

Dog licenses for 2020 were due by March 31st, 2020! All dog license renewals are now considered late and require a \$10 late fee in addition to normal licensing costs; \$8.00 spayed/neutered dogs or \$15.00 non-spayed/non-neutered dogs.

Please get in contact with the Treasurer or Clerk to provide all required information and payment to renew your dog's license. All information and payment may be dropped in the Village Hall Drop Box at 301 First St or mailed to PO Box 157 Cascade, WI 53011. If you no longer have a dog or have a different dog please contact us with that information also.

Failure to license your dog is a violation of Ordinance No. 3 of 1990, Requiring Licensing and limiting the number of dogs per household in the Village of Cascade. Violation of this ordinance could result in a penalty of up to \$50 per day you are not in compliance in addition to any court costs.

## Cascade Rec Club

Submitted by Steve Green

With everything going on this year it's hard to believe there will be no ball at the park. We have also decided to cancel the men's softball tournament as well. Any families who registered their child will be receiving a refund for the 2020 season. Just because there are no games happening it doesn't mean we won't be using this time to work on the concession stand by giving it a much needed cleaning, fresh coat of paint and some electrical work. It will look great and be ready to go for next year. We plan to keep one of the ball diamonds set with bases set out and ready if you want to take your kids down and play. Finally we have an install date for the new playground equipment, Friday July 10th. Then, approximately one week after that we will be pouring the foam flooring and the playground will be up and ready for all to enjoy. We hope everyone has a great summer. Stay safe and keep playing ball!

## Meet Officer Noah Wetenkamp

Submitted by Noah Wetenkamp

Hello! I'm Officer Noah Wetenkamp with the Cascade Police Department. I have been with the department since August of 2019. I have had a chance to meet a few of you in our community but I'm sure there are still many who have yet to meet me. I am a lifetime Sheboygan County resident, originally from the Plymouth area. I attended college at Lakeshore Technical College where I completed the law enforcement academy. I began my career with the Elkhart Lake Police Department as Lake Patrol, and was hired on as a Deputy by the Sheboygan County Sheriff's Office shortly after. I currently work 3rd shift patrol with the County full time, and I am additionally a member of the Bike Patrol unit and Special Event Team (SET). I have additional training in Crisis Intervention and Advanced Roadside Impaired Driving Enforcement (ARIDE). In my free time I enjoy Mountain Biking and spending time with my family. I am looking forward to a rewarding career working for Cascade PD!
