The Food Pantry has been restored to being a Little Library again. All food that wasn't taken was donated to the local food pantry.

Cascade Fire Department

Submitted by Todd Triebensee

Hope everyone has had an enjoyable summer. Progress on our new station is moving along nicely and projected completion date is the first week of October. It will take us a few weeks to get everything moved over to the new building.

With the new school year and the new class/school schedules, and your children being home now more than ever, it is important to make sure that they know what to do and who to call in an emergency. It doesn't hurt to practice and just ask questions to make sure everyone in your house knows what to do.

The Cascade Fire Department does offer a program to deliver and install new smoke detectors in your home and also do a courtesy home inspection. If interested in this program please call and leave a message at (920) 528-8432.

You can schedule an appointment at www.Versiti.org. Of course walk-ins are always welcome, but appointments are appreciated. Lake Ellen Association

Submitted by Bobbi Laine

As we wind down the summer boating season, we thank everyone who took care to guard against transporting invasive plants and animals into or out of Lake Ellen. Please keep in mind that these same invasive species can be transported during ice fishing season so don't transport fish, bait or water from one lake to another.

We are currently working to remove some cattail bogs that are clogging the lake's outlet. This will allow natural regulation of the water level and minimize the high water that we experienced this summer.

The new playground equipment at Memorial Park is completely installed and the new grass is coming in nicely. We hope everyone is enjoying the new playground!

We are still taking donations and plan to add on to the equipment in the future. Donations can be dropped off at the Village Hall or contact Steve Green at (920) 912-1175.

Since there was no ball this year we took the time to freshen up the concession stand and bathrooms at the park so we will be ready to go next spring.
