Officer Remington Joins CPD

Submitted by Officer Tamara Remington

Hello. My name is Tamara Remington and I joined Cascade PD this July.

I went to high school in San Jose, CA. and then graduated from University of California Santa Barbara where I studied Communications. After 5 years working at an advertising agency in San Francisco, I went to the San Jose Police Department police academy and joined San Jose PD in 1995.

While at San Jose PD I worked numerous assignments including patrol, Field Training Officer, Bicycle Patrol and Gang Detective, deputized as an US Marshal to work cases with the FBI Gang Task Force.

In 2005 my family relocated to Sheboygan and I joined Sheboygan Police Department and worked patrol prior to being a School Resource Officer at South High. In 2012 I became a detective and joined the Federal Anti-Human Trafficking Task Force for SE Wisconsin, working numerous trafficking cases that were taken at the federal and state level.

I retired from SPD and joined Acuity working security in 2019.

Raising awareness and ultimately striving for prevention of human trafficking is a passion of mine and I continue to do presentations for community, schools, healthcare and emergency services. I have volunteered during the last three Super Bowls to assist in recovering trafficking victims.

I am so happy to be a part of CPD and look forward to meeting you.

Lake Ellen Association

Submitted by Bobbi Laine

While it may seem like aquatic invasive species (AIS) aren't a concern during cold temperatures, plants like curly-leaf pondweed are growing just fine under the ice.

Anglers should inspect sleds, buckets, and lures for AIS hitchhikers and remove them. That goes for even the tiniest plant fragment or animal like a zebra mussel. If you added water to a minnow bucket, that bait can only be used on the same waterbody. Always dump leftover bait you won't end up using into the trash; never on the ground or into the water. Remember to follow state law:

Inspect-Remove-Drain-Never Move

The Cascade First Responders would like to extend our thanks and appreciation to everybody that came to support and visit us at this summer's picnic. We had a great turnout and loved seeing all our old friends! Look for us during the Village of Cascade Trick or Treat, we'll be handing out candy from the ambulance. As you begin to prepare for the change in weather, we'd like to remind you to be cautious of icy roadways or sidewalks, and to keep a winter emergency kit in your car. Here are a few ideas to get you started: battery booster cables, ice scrapes/snow brushes, portable shovel, flashlight, cell phone charger, hat, gloves and blankets.

If you're interested in becoming a member or just have a few questions, please call Kelly Green at 920-838-3969.

Anyone interested in recycling your pumpkins, gourds, cornstalks, straw bales, bags of leaves, potted plants, potting soil, etc. you can drop them off at the corner of Clark Street and Francis Street. There will be a sign where everything can be dropped off.

By participating it will keep your compostable waste out of the landfill.

Cascade Police Department

Submitted by Chief Jason Liermann

2021 was a good year for the Cascade PD. Officer Mertzig started in January and we welcomed Officer Remington in July. This brings the department up to five officers. It has been a busy year for us and we have a wide range of experience and expertise within the department.

We were glad to see the Fire Department have their annual picnic. Hopefully you attended and enjoyed yourself. They had a wonderful parade this year and really appreciate the support from the community.

The new squad car will be in service soon! We are waiting on one last piece of equipment. The police department really appreciates the support of the Village Board and residents. Thank You.

As we head into fall and winter after that, we would like to remind everyone that there is a winter parking ordinance within the village.

Please do not park on any village street between 2 am and 6 am. The ordinance starts November 1st through April 1st.
